

# Thinking of a Commission?

A beautiful, timeless drawing created for you

Sensitively drawn, with likeness guaranteed,  
each picture is created exclusively for you or a loved one.

## Perfect for that special gift

### Drawing Costs\*

- Prices start from just £125 for a pet, £150 for a person, building or landscape.
- Minimum drawing size 8"x6".
- Framing and Postage/Packaging excluded.
- Vivienne is very happy to discuss details and quotes with no obligation.

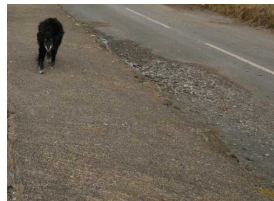

### Photograph Guidelines

- Drawings are produced from photographs or digital images provided by you (emailed or posted), or taken by Vivienne.
- The sharper the photograph, the better the final drawing.
- For pet portraits, the subject should fill the frame with eyes in focus, no flash "red eye". For best results take outside at eye level in good daylight/sunlight.
